

Marketing With AVCC

OVERVIEW OF PROGRAM

1. The Veterans Administration (VA) has a VA benefit called **Pension with Aid & Attendance** for eligible veterans and surviving spouses. This pension can be used to purchase home care services.
2. American Veterans Care Connection (AVCC) will assist contracted providers to utilize this veteran's benefit to increase their client base.

AVCC IS RESPONSIBLE FOR:

- Screenings of clients for the program
- Assistance in obtaining all proper documentation for VA application
- Assistance with the VA application process
- Monitoring of application status with the VA
- Coordination of home care hours and sending authorization to your office
- Maintaining monthly and yearly continued eligibility requirements for the lifetime of the benefit for all clients and AVCC receiving benefits and services from your office

SELLING POINTS OF AVCC

- A tax-free benefit distributed to eligible honorably discharged veterans or their surviving spouses
- A monthly benefit check that is used as reimbursement for the cost of acceptable medical expenses
- AVCC works with home care providers to help veterans and their surviving spouses in their community understand and apply for this Aid and Attendance benefit
